

NHS Class of 1960 Celebrates 51st Class Reunion

Dear fellow classmates,

Our dear teacher Barbara Wexler, in her thank-you note, proclaimed the 50th Reunion of the Class of 1960, **“the best class reunion I have ever attended, including many of my own!”** If you were at the reunion last October, it was so very apparent that everyone enjoyed the spirit of renewing old friendships, sharing special moments and memories, and remembering those of our classmates who are no longer with us!

Your Reunion Committee took to heart the comments that many of you made there and sent in emails, and we are ready to “do it again”!! Not as splashy, not as lengthy, but just an afternoon luncheon with old friends and maybe even some new ones!

The date is Saturday, **September 24th, 2011** for our next rendezvous! We shall be holding a buffet luncheon from **11:30 until 3PM** at the **Plymouth Country Club** in Plymouth Meeting. The price per person is **\$27.00**. You will be able to enjoy a meal, good conversation, and memorabilia! Printed copies of current contact information for classmates will be available, if you missed the booklet from the 50th. We also are asking you to submit new or updated autobiographies, if you'd like, and any pictures that you might want posted to the class website. Copies of the DVD from the 50th will be available at this reunion.

Please join us for a pleasant afternoon in a relaxed atmosphere! We are a very special class that has maintained ties like no other, so hopefully, we will have a significant turnout, once again, to relive the **spirit of the Class of '60!** Please complete the enclosed form, and mail it with your payment no later than **September 1st**. We sincerely hope to **“see you in September”!**
